SINCLAIRS RETREAT DOOARS, DOOARS

Amidst 20 acres of green, Sinclairs Retreat Dooars is settled at Chalsa Hilltop, giving guests a taste of nature. Its 69 rooms are cosy and comfortable with amenities like a minibar, tea and coffee maker, wireless internet, and satellite television. The hotel is home to a multi-cuisine restaurant, The Banyan Tree; Bamboo Groove Café (preferable for light meals and snacks); and The Tusker Bar, overlooking the Gorumara sanctuary. Thanks to its organic farm, the food is freshly prepared using home-grown fare.

Replete with recreational facilities such as a library, a children's park, the Laya Spa that offers Swedish therapies, a health club and gym, and outdoor swimming pool, the hotel exceeds the expectations guests have from a small-town retreat. It's a family hotel by all means, and there is plenty to do—whether it is indoor games like carom and table tennis or fun in the sun sports including cricket and volleyball.
