Sinclairs launches its luxury resort in Kalimpong

Sinclairs Hotels & Resorts announces the opening of its luxury resort Sinclairs Retreat Kalimpong. This is the sixth property in the Sinclairs chain. In the 'Land of the Kings' synonymous for Kalimpong, the resort is spread over five acres of landscaped green. The resort does justice to the awe-inspiring natural beauty of the hill station with many wonders of nature. The resort overlooks the Himalayas and a forested valley, making it an ideal retreat for tourists and hosting business meetings without distractions. It has a total of 48 rooms and suites that are a fine statement of luxury and comfort. The rooms have a traditional fireplace, private balcony and garden. The resort has fully equipped banquets and conference halls, fitness center, spa, swimming pool and a reading lounge. The multicuisine restaurant, coffee shop and Spanish bar will more than take care of food and drinks fancies of guests. With the opening of the Kalimpong property, Sinclairs Hotels is the largest player in hospitality industry in North Bengal. Sinclairs offers the best of North Bengal to tourists with its properties in Siliguri, Darjeeling, Dooars and now Kalimpong. Of late West Bengal has been keen to project Kalimpong as a second hill destination in the state. Till recently, a constraint of travellers visiting the tranquil Kalimpong known for its natural beauty was the lack of quality accommodation. Now with the opening of Sinclairs property, Kalimpong can boast of international standard rooms and facilities. High quality banquet and conference facilities have started attracting well known corporate houses and institutions to hold their off site and other residential meetings in Kalimpong. Spacious banquets and well designed gardens make the property an ideal location for destination wedding.
