

## **Sinclairs Hotels plans three new properties**

Sinclairs Hotels is planning to set up three new properties in Kolkata, Kalimpong, and Burdwan.

The company, which is partly funded by Xander Group, is developing a 114-room upscale business hotel on one acre in New Town, Kolkata; a 48-room-and-suite luxury resort in Kalimpong; and a tourist resort in Burdwan.

The proposed hotel at Kalimpong is expected to be opened in the second quarter of the current fiscal; and the tourist resort in Burdwan, which is in its final stages of implementation, will also be commissioned during FY15.

Meanwhile, Sinclairs has received final sanction for its Rajarhat hotel in Kolkata and work will begin soon.
